MDV – Indicated received communication from DC – V all who believe they are qualified for the xxxxx device to contact DIRAUX directly. Apparently there are a lot of questions.

Follow chain of Leadership

How do you get the points: Check with FSO-IS to confirm if you received sufficient points in the last 2 years.

What is listed on the website is “How it is supposed to Work”

SO-IS recommends using AUXINFO, as AuxDATA only has the current year, to determine if you have sufficient points over the last two years.

OP – Nothing to add

SO – PA – The open house had over 40 people.

Upcoming July Newburyport Riverfront days. Open house at station and possible helo visit or booth at the event.

Homecoming August

Working to get presentation (MS) at the Parker River or Joppa flats.

Coastie will be down at Parker River Wildlife on June 3rd?

Materials on the back table, please help yourselves.

PE – North End Boatclub class still going on.

Bert Dufour Teaching class every Saturday and pulling in about 50 people per class.

PS- Nothing

VE – Nothing in the report to add to.

Jeff James Looking for a couple more AuxMEES candidates

IPDCP – Hurricane season starts tomorrow. Update callout plans, availability of vessels post hurricane. Standing rules, other divisions have been working to bring them inline with the national template. Will E-mail an updated version to the DCP to forward out to the Board.

Div. 5 sent out an E-mail ISC Boston is having family event 6/15 and family preparedness.

Coordinate thru DCP3 for anyone who wants to go.

Old Business:

Boatwise – Anybody hear about any Auxiliarist who would like to take the class??

No Takers at this time.

New Business:

Starting now in this division DCP has a new e-mail ronaldw.booth@comcast.net

CG Birthday cookout August 4th along with PCA Shindig

Start thinking about DCP/VCP for 2008

January 2008 Conference has been moved to the Quincy, MA Marriott. The 2009 January Conference will be held in Newport, RI. Change was due to renovation work being done at the Newport facility this January.

Suggested that as part of a Patrol include a digital camera. Some things like two SCS Buoys, one intermittently submerged needed a photo to describe.

Please E-Mail Jeff James with any information regarding ATON's. He will forward the information in to ANT Boston.

Lights are working on the Chain Bridge.

Wayne Cedres having trouble with boat inspection paperwork.

Next Meeting 28 June 1900hrs

Respectfully Submitted

John Merrill, acting secretary
